

# SCHOOL SUPPLY STORE

## How it works:

Low-income families are given a voucher to purchase items for their children at the Galveston Urban Ministries School Supply Store at **80% off the regular price** of the item. Galveston Urban Ministries philosophy on assistance is that providing discounted items (instead of free items) allows people to participate in providing for their families and to **shop with dignity**. Income from the School Supply Store is used for the purchase of more supplies for the store.

## Ways you can help:

1. Donate NEW school supplies - bring items by **August 3rd** to the GUM Office!
2. **Donate Online** via our website - follow the donate links, under "Please direct my donation to" select "School Supply Store" and we will do the shopping for you!
3. Share our social media posts to help **spread the word!**

## Some of the most needed items:

- Backpacks for kinder- 12th grade
